Comment: There were apparently few ground attack aircraft parked at the COTTBUS airfield on 3 August 1949. This statement is considered credible since according to previous information the ground attack units stationed in FINSTERWALDE, MELZOW and COTTBUS all held large-scale joint maneuvers with army units in the ALTENGRABOW (M 53/Z 00) area between 27 July and 4 August 1949. According to previous information, the COTTBUS airfield is occupied by two ground attack regiments.
